APPLICATION FORM FOR DONATIONS AND GRANTS

All fields marked with an asterisk (*) are mandatory and must be completed. Incomplete request forms cannot be processed. You may be contacted for further information before your application is fully assessed.

Applications must be submitted at least 8 weeks ahead of estimated project start date to allow sufficient time for your request to be reviewed and processed. If you have not heard from us within 6 weeks of the date of your application, you may wish to contact us via the email address below to request an update.

Please note that we **do not** consider Donations and Grants requests that are:

- retrospective in nature
- linked to specific medicines/products/devices

Retrospective requests and/or those that include product mentions will be rejected.

If you require more information on the Donations and Grants application process, please refer to the Donations and Grants application guidance document which is available on the Donations and Grants section of the Bayer UK website.

When completed, please return this form to:	MedAdmin@bayer.com Note: applications can only be accepted and considered via this email address
